SELECTED ACHIEVEMENTS

- **Social Entrepreneurship:** Founded a grassroots financial inclusion project that scaled delivery across 10 workshop cohorts, achieving a 70.2% UPI digital transaction mastery rate across 305 rural participants.
- **Academic Mentorship:** Devoted 4 years as a seasonal program coordinator and tutor, driving a documented 35% average performance improvement in terminal academic metrics for over 200 underprivileged students.
- **Elite Athletics:** Accomplished 3.5+ years of competitive women's cricket; selected for prestigious Mumbai Cricket Association (MCA) U-19 and U-17 summer camps, and consistently designated as District/Zonal Team Captain.
- **Academic Enrichment:** Earned an official Certificate of Completion from Harvard University (via edX) in *Entrepreneurship in Emerging Economies* while sustaining a high academic tier with an 82% score in Class 12 Boards.
- **Financial Operations:** Supervised full-cycle bookkeeping, administrative setups, and medical stock logs at Khosla Clinic, managing a recurring monthly cash flow baseline of ₹35,000.

LEADERSHIP & COMMUNITY IMPACT

Founder & Project Director — The Rural Financial Inclusion Project

DEC 2025 – JAN 2026

Partnered with Asha Welfare Society — Pratapgarh, Uttar Pradesh

- **Scalable Framework Design:** Pioneered a comprehensive "Train-the-Trainer" operational structure; successfully onboarded, trained, and managed 3 local youth volunteers to scale rapid curriculum delivery across rural sectors.
- **Operational Logistics:** Formulated and executed 10 workshop cohorts, providing immersive financial literacy training to 305 high-barrier community residents, segmenting target paths for 143 women, 95 youth, and 67 children.
- **Product Localization:** Designed a text-light, highly visual financial framework engineered around regional power deficits; utilized tactile elements such as play currency and mock interactive QR codes to navigate literacy gaps.
- **Gender Digital Intervention:** Countered regional female structural banking exclusions by safely introducing unbanked women to formal banking accounts and teaching safe mobile payment system (UPI) fraud prevention hygiene.
- **Data Governance & Metrics:** Realized a verified 70.2% independent digital transaction capability baseline; preserved a transparent, public metric ledger authenticated via official NGO validation credentials.

Volunteer Tutor & Program Coordinator

MAY 2022 – PRESENT

Asha Welfare Society (Seasonal Deployment) — Pratapgarh, Uttar Pradesh

- Instructed and prepared a rolling segment of 200+ rural students across Grades 4–9 in core fundamental competencies spanning Mathematics, fundamental Science, and English grammar syntax during summer and winter breaks.
- Elevated individual learner participation thresholds, culminating in a recorded 35% performance gain across seasonal evaluation panels.
- Promoted to Coordinator level to direct upcoming volunteer schedules, optimize session assignments, and drive program expansion strategies.
